

LONDON  
COMMUNITY  
FOUNDATION

# 2024 GRANTING SUMMARY

# A Note from the Grants Team

We're excited to provide a brand-new feature complementing the Foundation's Impact Report – a full and comprehensive listing of its 2024 granting.

This enhanced transparency highlights the collective impact that the Foundation's Donor Funds have on our local community and the areas of focus.

## The Power of Together:

In 2024, the London Community Foundation's funds made grants to 330 charities totalling \$11.35 million.

The Foundation manages a variety of fund types, making it flexible for people and families to give, even beyond their lifetime. Fundholders often lean on the Foundation's community knowledge to ensure they are making an impact to local causes while fulfilling their philanthropic interests.

## 2024 Grants by Vital Sign Area:

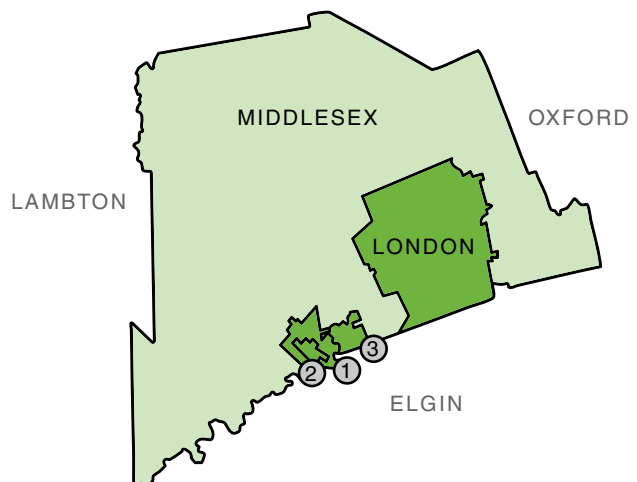

Each Vital Sign issue area is a localized version of one of the United Nation's Sustainable Development Goals -- a global framework for a thriving community. The Foundation identified these six as a priority for London & Middlesex.

Climate & Environment   6.4%	\$752,100
Gender Equality   2.5%	\$292,000
Health & Wellbeing   35.6%	\$4,204,700
Housing   58.0%	\$6,841,000
Reduced Inequalities   4.6%	\$544,900
Zero Hunger   9.1%	\$1,070,600

## Emphasis on Local Support

The following pages include the listing, alphabetical by organization, which reflects the Foundation's dedication to improving communities across its catchment consisting of:

- City of London
- Middlesex County
- Chippewas of the Thames First Nation<sup>1</sup>
- Munsee-Delaware Nation<sup>2</sup>; and
- Oneida Nation of the Thames<sup>3</sup>

It also reflects the Foundation's unique ability to facilitate donor-directed grants expanding its reach to national and international causes.

In the listing, you'll notice the term "**discretionary**" is used. This indicates the organization makes the decision as to the use of the grant – giving it the flexibility to assess where it's most needed.

We trust you'll be encouraged and amazed to see the many causes and organizations

supported through the Foundation reflecting a community working together to enrich the quality of life for all.

### Note

- Many of our grants address multiple Vital Signs issue areas, which is why the figures in the 2024 Grants by Vital Sign Area chart add up to more than the \$11.35M total granted for 2024.
- Grants to arts and culture are included in Health and Wellbeing.
